Year 3 Autumn News!

Our Local Area

To kick start the year, Year 3 explored our school's local area and went on a local area walk. We looked at maps and designed our own improvements for Darlaston. We made and evaluated 3D models of an outdoor area and designed our own local mascot.

Black History Month

Year 3 celebrated Black History Month in October. The theme this year was, 'Honoring our communities.' We celebrated by looking at Floella Benjamin. Inspired by her message of inclusion and belonging, we created our own storybook portraits celebrating who we are, what makes us unique and what helps us feel welcome.

Remembrance Day

We presented a class assembly to emphasise the importance of Remembrance Day and why we commemorate the fallen soldiers. Thank-you to all the families who came to show their support to our children.

Stone Age – Freshwater Theatre Company

To launch our new history topic 'The Stone Age' we became time travellers for the afternoon. We went all the way back in time to the Stone Age to experience how life was different to life now. Using activities such as role-play, we discovered what life was like in Stone Age Britain, experiencing life as hunter gatherers and early farmers. We then moved through time to the Iron Age, and visited an iron forge.

Children in Need

Year 3 enjoyed celebrating Children in Need! We took part in the Challenge 26 quiz, designed and made our own split-pin Pudsey bears and learnt about the significance of Children in Need, why the charity is so important and how it helps children and families across the UK.

Darlaston Library Visit

We continue to visit Darlaston Library. In the library, children had a chance to explore a range of fiction and non-fiction books. They read independently or with their friends. We are looking forward to visiting again next term!
