Attendance Newsletter – Summer term

Our whole school attendance to the end of the spring term 2025/2026 was 93.9%, which is a great improvement on the previous year of 92.1%. We will continue improving attendance across the federation, by working closely with families towards achieving our **school target of 97%**. As we move into the last term Mrs Richards will continue monitoring attendance and punctuality on a daily basis along with our Education Welfare Officer Miss Withers from Walsall Council. We are keen to ensure that all children attend school regularly, as you are aware, it is important for your child's friendships and academic progress.

Thank you to all parent / carers that attended the Parent Workshop coffee mornings. This was a great opportunity to meet families and discuss any barriers or support required to improve children's attendance, also share knowledge of agencies that also offer family activities, in and around the local community.

Individual Attendance awards

Silver & Bronze, badges will be awarded this week to all children above 95%. We look forward to seeing many children proudly wearing these around school.

Gold badges will be awarded at the end of the summer term. Bronze & Silver badges can still be earned if attendance has improved above 95%
