Summer 2

Dear Parents/Carers,

As we approach the last few weeks of this academic year, we still have much to do! The children will of course be taking part in lots of activities/events that take place at this time of the year, so please make a note of what is on offer.

The school year, 2024/2025 has been full, fast-paced and proved to be, another amazing year. Our curriculum has continued to enhance children's wider learning opportunities to develop their knowledge, skills and understanding. Opportunities have ranged from visits to interesting places, watching ducklings hatch in school to the children being able to showcase an excellent selection of work produced during 'Science Week' for parents to come and see.

We always try our best to ensure each term, the children experience exciting, motivating and new experiences in relation to the topics they undertake which really helps to engage them in their learning.

Just a reminder, our Year 4 children will be taking part in the multiplication tests over the next few weeks and Year 1 and 2 children will be undertaking their phonics screening assessments. Children and staff have been working hard to make sure they achieve the results they deserve. All the best to them.

I would like to thank you all for the support you have provided throughout the year and hope you can come along and join us for the events that are planned before we break up for the summer.

Mrs N. Matharu
Executive Headteacher

Summer Term 1 Activities / Events

We have a great term ahead so please make a note of the things that are coming up. Ensuring children are provided with a wide range of opportunities at school is very important to us. Our aim is to incorporate as many different, enriching experiences as possible for them. This term we have the following taking place:

After-School Clubs

Artsmark Enrichment Activities for Reception to Year 6 have started this week from Tuesday 3rd June.

On the day your child will be participating in the activities, the school day will be extended until 4.00pm.

Please complete the consent slip and return to your child's class teacher if you would like your child to take part.

Sports Day

All children will have the opportunity to take part in a range of competitive activities with their phases.

Friday 27 June

Early Years—9.15am

Y5 and Y6—2pm

Monday 30 June

Y1 and Y2—9.30am

Y3 & Y4—2pm

Monday 16th June is Photo Day

Tempest Photography will be taking class photos throughout the day.

Full school uniform should be worn

If you have not yet completed photo consent forms then your child will not be able to have photos taken by Tempest.

Please speak to the school office for the consent form.

Bikeability

Wednesday 4 June and Friday 6th June

Year 6 will be taking part in bikeability this will help children to develop road sense, the ability to navigate and improve their independence - all of which will boost their confidence.

Sun Protection

Please note the importance of keeping your children safe when they're out and about in the sun. Apply sun cream and please provide your child with a water bottle and sun hat within school time.

Please note, do not send your child in with sun cream.

Term Dates 2024/2025

Summer 2 Half Term

**School closes on Friday 18th July, 1.30pm
and
Re-opens for children on Wednesday
3rd September 2025**

Ignis Charity Day—Thursday 19th June

Ignis charity day is on **Thursday 19th June**. Please send your child/children in something red. This term we will be raising money for the Midlands Air Ambulance Charity. Children will participate in different activities throughout the day to support our charity.
