We would like to say a huge thank you to all of the parents for their support and cooperation in helping to make this residential visit such a success, and to the children for their fantastic attitudes, enthusiasm and willingness to get involved in every activity. All members of staff who attended were incredibly proud of the children and the way they challenged themselves, supported one another and made the most of every opportunity. We hope that everyone has taken away some wonderful memories from the experience, and we are already looking forward to next year's residential, which we hope will be just as exciting, enjoyable and full of fun!
