Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport			Percentage of total allocation:
			15%
Intent	Implementation and Funding	Impact	Sustainability and suggested next steps
<p>To enhance the teaching and delivery of Physical Education across the school by increasing the confidence, knowledge and skills of all staff. This will be achieved through a structured program of professional development, the integration of support opportunities and fostering a collaborative teaching environment.</p> <p>The ultimate goal is to ensure that staff are well-equipped to deliver high-quality, inclusive PE lessons that engage all pupils, ensuring consistent, effective teaching across the school.</p>	<p>Implementation:</p> <p>Provide targeted, ongoing professional development to enhance staff skills in PE, ensuring that all teachers are proficient in using the Striver platform and are equipped to plan and deliver high-quality lessons. This includes external courses, workshops, and coaching.</p> <p>Develop a peer observation and feedback system, where staff can observe each other's lessons, following on from collaborative planning during PPA, supporting teachers in sharing best practices and learning from each other's experiences.</p> <p>Provide additional support and training for Early Career Teachers (ECTs) joining the school, specifically in teaching PE, ensuring they quickly gain the necessary skills to teach PE effectively and confidently.</p> <p>Review and update PE assessment tools to ensure they are aligned with national expectations and support ongoing progress monitoring. Provide training for staff on how to use these tools effectively.</p>	<p>Staff now use the Striver platform to support lesson planning and progression, resulting in more consistent, high-quality lessons across the school. Lessons are more inclusive and better differentiated as a result of more equipment options.</p> <p>Staff with a passion or background in sport have led extracurricular clubs, increasing pupil engagement and allowing staff to share their enthusiasm and expertise beyond the classroom.</p> <p>Joint PPA planning sessions have supported a culture of shared best practice.</p>	<p>Sustainability</p> <p>Now that staff are confident using Striver, it can remain a consistent planning and teaching tool that ensures quality and consistency across year groups, even as staff change.</p> <p>Identify and develop future leaders in PE to ensure continuity in subject leadership and maintain momentum if staffing changes occur.</p> <p>Next steps:</p> <p>Provide targeted, ongoing professional development to enhance staff skills in PE.</p> <p>Ensure all teachers are confident using the Striver platform and equipped to plan and deliver high-quality lessons. This should include external courses,</p>

	<p>Identify staff with sports qualifications, interests and expertise and encourage them to lead extra-curricular activities such as sports clubs or lunchtime sessions.</p> <p>Ensure that the PE lead, alongside SLT, regularly monitors the quality of PE lessons across the school through observations, feedback sessions, and lesson reviews. This will ensure that teaching standards remain high and consistent.</p> <p>Funding:</p> <ul style="list-style-type: none"> • Allocate funds for CPD sessions (Streetly) • Assign time for lesson observations and feedback meetings 		<p>workshops with Streetly and in-school coaching by PE lead and Streetly.</p> <p>Offer more advanced CPD focused on specific areas of PE (e.g. gymnastics apparatus, dance and inclusive provision/physical activity) to develop subject mastery across all staff.</p> <p>Enhance Striver provision by refining the units offered to be more challenging.</p> <p>Develop a system where skilled staff mentor or team-teach with others during PE sessions to build confidence and share expertise.</p>

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils			Percentage of total allocation:
			20%
Intent	Implementation and Funding	Impact	Sustainability and suggested next steps
<p>To provide all pupils with access to a wide variety of sporting activities throughout the school year, fostering curiosity and enthusiasm for physical activity.</p> <p>Through diverse curricular, lunchtime and extracurricular offerings, we aim to inspire all pupils to find sports they enjoy, encourage lifelong participation and promote inclusivity by ensuring that activities are accessible to all pupils, including those with special educational needs and disabilities (SEND), girls and boys.</p>	<p>Implementation</p> <p>Continue collaborating with the Streetly Schools Partnership, Inspire Group and more recently Kixx to attend to the range of experiences and opportunities across the school addressing the needs of all pupils.</p> <p>Host sports taster day sessions to introduce pupils to less traditional sports (e.g. archery, fencing, dance or ultimate frisbee).</p> <p>Continue to integrate the wider curriculum with outdoor learning through orienteering. Outdoor spaces are regularly used to enhance P.E. provision and enrich other subjects, such as applying map skills in geography or exploring scientific concepts through movement and practical tasks. This cross-curricular approach ensures pupils experience physical activity regularly and it also helps to deepen their subject knowledge and engagement.</p> <p>Continue expanding PE and playtime resources to ensure all pupils can engage in purposeful physical activities, with a focus on adaptive equipment for SEND pupils.</p>	<p>Pupils have demonstrated high levels of engagement during taster days and themed sessions as well as wider sporting offering such as golf, boxing and archery.</p> <p>Orienteering has been integrated with topics such as geography and maths, making physical activity more purposeful and cross-curricular.</p> <p>Collaborations with Streetly, Inspire and Kixx have enriched provision, supporting staff in building their confidence and helped to start to establish a sporting culture that values diversity, participation and skill development for all.</p>	<p>Sustainability</p> <p>Ongoing collaboration with providers like Streetly and Inspire ensures access to varied expertise and broad sporting opportunities, which are now part of your school's annual calendar.</p> <p>Exposure to less traditional sports (e.g. archery, golf, boxing, cultural dance) has sparked interest and excitement across pupils, reducing disengagement in those who may not connect or usually take part in mainstream sports.</p> <p>Investment in adaptive resources has enabled more SEND pupils to access and enjoy</p>

	<p>Establish a monitoring system to track participation in all sports and physical activities, identifying trends in engagement and targeting groups for additional support (e.g. girls/pupils with low participant).</p> <p>Funding</p> <ul style="list-style-type: none"> • Allocate funds for Streetly membership fees • Arrange funds for external coaching through Kixx and Inspire • Assign funding for outdoor equipment • Allocate funding for adaptive sports equipment and resources suitable for various skill levels. 		<p>physical activity, reducing barriers to participation.</p> <p>Cross-curricular integration of PE (e.g. orienteering with geography and maths in NPSCC number day) has helped embed physical activity across the wider curriculum, supporting sustainability by involving more staff and subjects.</p> <p>Next steps:</p> <p>Track the engagement of pupils and identify groups who need further encouragement and support to take part in the range of activities offered/change the offering</p> <p>Build on initial orienteering and outdoor links by incorporating a more structured OAA strand in upper KS2 through the use of residential.</p>

Meeting national curriculum requirements for swimming and water safety. N.B. Complete this section to your best ability. For example, you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the NC programme of study	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2025. Please see note above	58.3% (35/60)
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?
