

Nursery Autumn News

Settling In

In September, we welcomed lots of new faces as well as many familiar ones into our three nursery classes. The children enjoyed exploring their new environment and outdoor areas. Over the past term, they have settled into our daily routines brilliantly and have built friendships with both the staff and their peers.

Diwali Workshop

We were lucky enough to have a visitor come into nursery. She spoke to us about the festival of Diwali and told us about ways in which people celebrate the festival. We were able to try on traditional dress, join in with dancing, try different foods and look at some decorations.

Kipper's Birthday Party

Nursery enjoyed sharing our class text, Kipper's Birthday. We spoke about what things you may see at a birthday party, how to make a cake and also made our own decorations and party hats. The children brought in their own party food and we enjoyed making cupcakes and playing party games.

Children in Need

In November, we supported Children in Need by wearing something yellow or spotty. In class, we enjoyed activities such as making Pudsey headbands, taking part in an interactive Pudsey game on the board and decorating spotty biscuits for our snack!

Early Years Nativity

Over the past couple of weeks, Nursery and Reception have been practising for our annual nativity performance. The children have worked really hard to learn their lines and the words to our songs. We can't wait for everyone to see it!
