

Nursery Spring News

Settling In

In January, we welcomed lots of new faces as well as many familiar ones into our NI nursery class. The children enjoyed exploring their new environment and outdoor areas. Over the past term, they have settled into our daily routines brilliantly and have built friendships with both the staff and their peers.

Ducklings!

This term we have been able to watch eggs hatch into ducklings.

We enjoyed watching them play and stroking their fluffy feathers.

Reading for Pleasure!

This term we have had lots of fun events to celebrate reading. We celebrated World Book Day by dressing as our favourite book character.

We have had visits from the library.

And a visit from an author, Donna David. She read us some of her stories.

Easter Egg Hunt!

We went on an Easter Egg Hunt in the forest. We had to find the hidden eggs from the Easter Bunny. We then swapped our eggs for chocolate eggs.
