SUMMER
TERM

What we are learning

Our topics this term are 'Come Outside' and 'Wonderful World'

In Literacy for Summer 1, we will look at the texts: The Gruffalo, Yucky Worms, Caterpillar Cake, Oliver's Fruit Salad and Oliver's Vegetables.

We will also explore what a farm is and find out about farm animals and their young.

We will continue learning about the world around us and seasonal changes, we will learn about minibeasts and nocturnal animals

In Summer 2, we will look at the texts: Handa's surprise, Stanley's stick, Commotion in the ocean and Harrold Finds a Voice.

We will find out about other countries and look at similarities and differences between Africa and the UK. We will think about places we could visit for a holiday and transport to get us there and begin to think ahead about our transition into Year 1.

In Maths we will be learning the skill of counting on and counting back using numbers to 20 and spotting numerical patterns. We will look at the properties of shapes. We will begin to measure volume and capacity and learn about time through daily routines.

In Phonics, we will be moving onto Phase 4 and consolidating our Phase 3 digraphs.

In PSHE we will explore the relationships that are important to us, through discussions around our families and friends.

Summer 2 we will look at how we have changed, from babies to young children and celebrate what we can do now and think about what we want to achieve in the future.

PE in Summer 1 will be Agility, Space and Movement, we will put this into practice in Summer 2 when we move onto Athletics, we will practice for Sports Day on the field too.

Please feel free to come and see us, or contact us via class dojo.
