

Year 6 -Residential

At the start of this half term, our pupils set off for an exciting residential adventure at PGL Boreatton Park in Shropshire.

From the moment we arrived, the children embraced every challenge with enthusiasm, teamwork, and a brilliant sense of fun. The beautiful surroundings, energetic instructors, and wide range of activities made it a trip to remember.

While there, pupils took part in a variety of thrilling outdoor activities. They bravely stepped off the abseiling tower, showing great determination as they worked their way down with confidence. Our problem-solving sessions encouraged teamwork and communication, with groups tackling tricky challenges and celebrating their successes together.

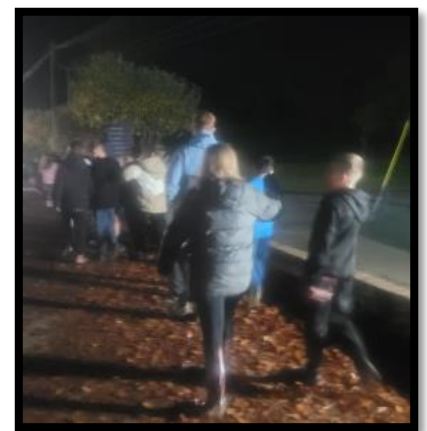

At archery, many children showed impressive focus and accuracy, while the zip wire gave everyone an unforgettable rush as they soared through the air.

The water-based activities were a real highlight too, especially canoeing, where children learned to paddle, steer, and work together on the lake. The giant swing brought lots of laughter (and a few nervous squeals!) as pupils were hoisted high before swooping through the air. Our survivor skills activity allowed the children to learn practical outdoor techniques such as shelter building and fire safety.

Evenings were just as enjoyable. We gathered around the campfire to share stories, sing songs, and enjoy time together. The children also loved taking part in a range of fun games, which kept everyone smiling right up until bedtime.

We are incredibly proud of how well our pupils represented the school. They supported each other, challenged themselves, and created memories that will last a lifetime.
