

# Year 1 Autumn News

## 2025-26

### Little Music Makers

We began our first term in Year 1 by visiting the Black Country Living Museum. We enjoyed listening to sounds of industry before creating our own. Then, we took part in a follow up music workshop in school.

### Freshwater Theatre

We put ourselves into the shoes of the nurses and soldiers who fought in the Crimean war. We also enjoyed the company of Florence Nightingale!

**Geography Local Walk**  
Year 1 were excited to go on a walk around our local area. This was linked to our Geography topic, 'Where we live'. We identified both human and physical features of Geography that we observed and the different uses of land.

# Year 1 Autumn News

## 2025-26

**Black History Month**  
To celebrate Black History Month, Year 1 learnt about Mae Jemison, who was the first African American female to travel into space. It inspired us to think about what we would like to be when we are older.

**Darlaston Library Trip**  
We enjoyed our first ever visit to Darlaston Library. We learnt about library cards and listened to a story about a boy's first visit to the library. We enjoyed sharing stories with our friends.

**Year 1 will Remember!**  
We observed a 2 minute silence for Remembrance Day.

**Children in Need and Anti-Bullying Week**  
Year 1 have enjoyed celebrating Children in Need and Anti-Bullying Week.
