

Spring in Year 5

The Wiz

Back in January, we had a fantastic time watching the students at Grace Academy bringing *The Wiz* to life on stage! We were treated to a musical, which was full of energy, creativity and colourful costumes. The children thoroughly enjoyed watching the performance- the older students were an inspiration to us all!

British Science Week

We had a brilliant time celebrating British Science Week this year! The year five activity was to investigate different types of ink, where the children explored how inks can be separated and analysed using simple techniques. It was fantastic to see their curiosity in action as they made predictions, tested ideas, and discovered how something as everyday as a pen can reveal surprising science!

Library Trip

Year 5 have visited Darlaston Library twice over the spring term. We were able to explore a vast range of books and take some home to read too. We all wanted to take more books than we could carry, so we're very much looking forward to visiting again in the summer term!

Spring in Year 5

Blakesley Hall

Poetry Slam

March took us back to Grace Academy for a Poetry Slam with Andy Craven-Griffiths. The children spent the morning listening to, writing and performing poetry. It was an amazing opportunity for the children to be immersed in a world of words

Year 5 Assembly and World Book Day

In March, we celebrated World Book Day in style. We had a wonderful time celebrating with a special assembly! The children loved coming together to share their favourite stories, admire each other's fantastic costumes and celebrate the joy of reading. There was a
