31st October 2022

Dear Parents/Carers

Welcome back to the start of this half term, hopefully you have all enjoyed the break and been able to spend quality time together.

We are writing to inform you of discussions that have been taking place between the Governing Board and Leaders regarding King's Hill Primary School forming a federation.

The Governors of King's Hill Primary School, are guided by the knowledge of the Government's direction for education and are therefore proposing the formation of a federation of two schools. The school joining the federation would be Salisbury Primary School.

As you are aware, King's Hill, has been supporting Salisbury since April 2022 and the partnership has proved to be successful and beneficial for the children and families. Governors, wish to act now in the best interests of all as we move forward and feel the changes at strategic and leadership levels will only strengthen and build capacity to sustain development and improvement at both schools.

Today, a consultation document is being sent to you all via email/message and a copy uploaded onto the school website. We are also sending out a paper copy. Please return any completed forms to the school office asap so that we can consider your views and opinions. The consultation period will last for 6 weeks. There will be a further opportunity for parents and carers to meet with governors and staff who will be able to explain what the proposals mean for King's Hill Primary School and respond to any queries you may have. The drop in session, should you wish to attend, will take place on Tuesday 6th December between 3pm and 4pm, in the school hall.

All views of parents/carers (and staff) will then be considered and discussed at our Governing Body meeting before a final decision is made.

Thank you for your valued contributions.

Mr M. Fox
Chair of Governors
King's Hill Primary School
